DELTA STATE UNIVERSITY BASEBALL ALUMNI WEEKEND

DELTA STATE BASEBALL ALUMNI WEEKEND

October 5 & 6, 2007

This is a personal invitation to your Baseball Alumni Weekend, October 5 & 6, 2007. We hope all former DSU players, coaches, managers, and trainers (1960-2007) can be with us for this occasion. It is always a great opportunity to visit friends, relive old times, and suit up on Ferriss Field for baseball with former teammates. Wives, children, and parents have a special invitation to attend.

It is a great honor to be part of our Delta State Baseball Tradition. The attendance at our Alumni Weekend has grown each year and has become a treasured event. This program has a "sense of family" that is unmatched by any other. We are committed to do everything we can to continue it. Please help us spread the word and contact everyone! Call your former teammates and let them know that you will be attending this event. We want all of our Delta State Baseball Family together!

We have scheduled our reunion to fit into a weekend of festivities. There will be opportunities for golf, baseball, and football for the entire family to enjoy on campus. We will have our dressing room, the Griffis Indoor Practice Facility, the J.A. "Bud" Thigpen Annex, and the Dorgan Student-Athlete Performance Center open all day for you to visit. The newly opened Robert L. Crawford Service Center featuring the Ferriss Museum will be available for you to tour on Friday night and during the alumni games on Saturday. We also want to offer complimentary tickets to our home football game vs. Arkansas Tech at 6:00 p.m. on Parker Field. We hope you will take advantage of this opportunity to see and support the 2007 Statesmen Football Squad.

Coach Ferriss will coordinate a golf scramble at the Derrall Foreman Golf Course on Friday, October 5 at 1:00 p.m. for all in-coming alumni. This complimentary afternoon provides the additional opportunity for fun, fellowship, and prizes.

For those who can arrive on Friday afternoon, we will have our 2007-2008 Statesmen in Game One of our Green and White Fall Series following the golf tournament at 6:30 p.m. We want you to see the fine young men who follow in your footsteps and maintain the tradition of our program.
